## How to access climate finance

GCF works to increase access for developing countries, which means quicker, simpler, with harmonised standards, delivered closer to local communities, and catalysing more funding.

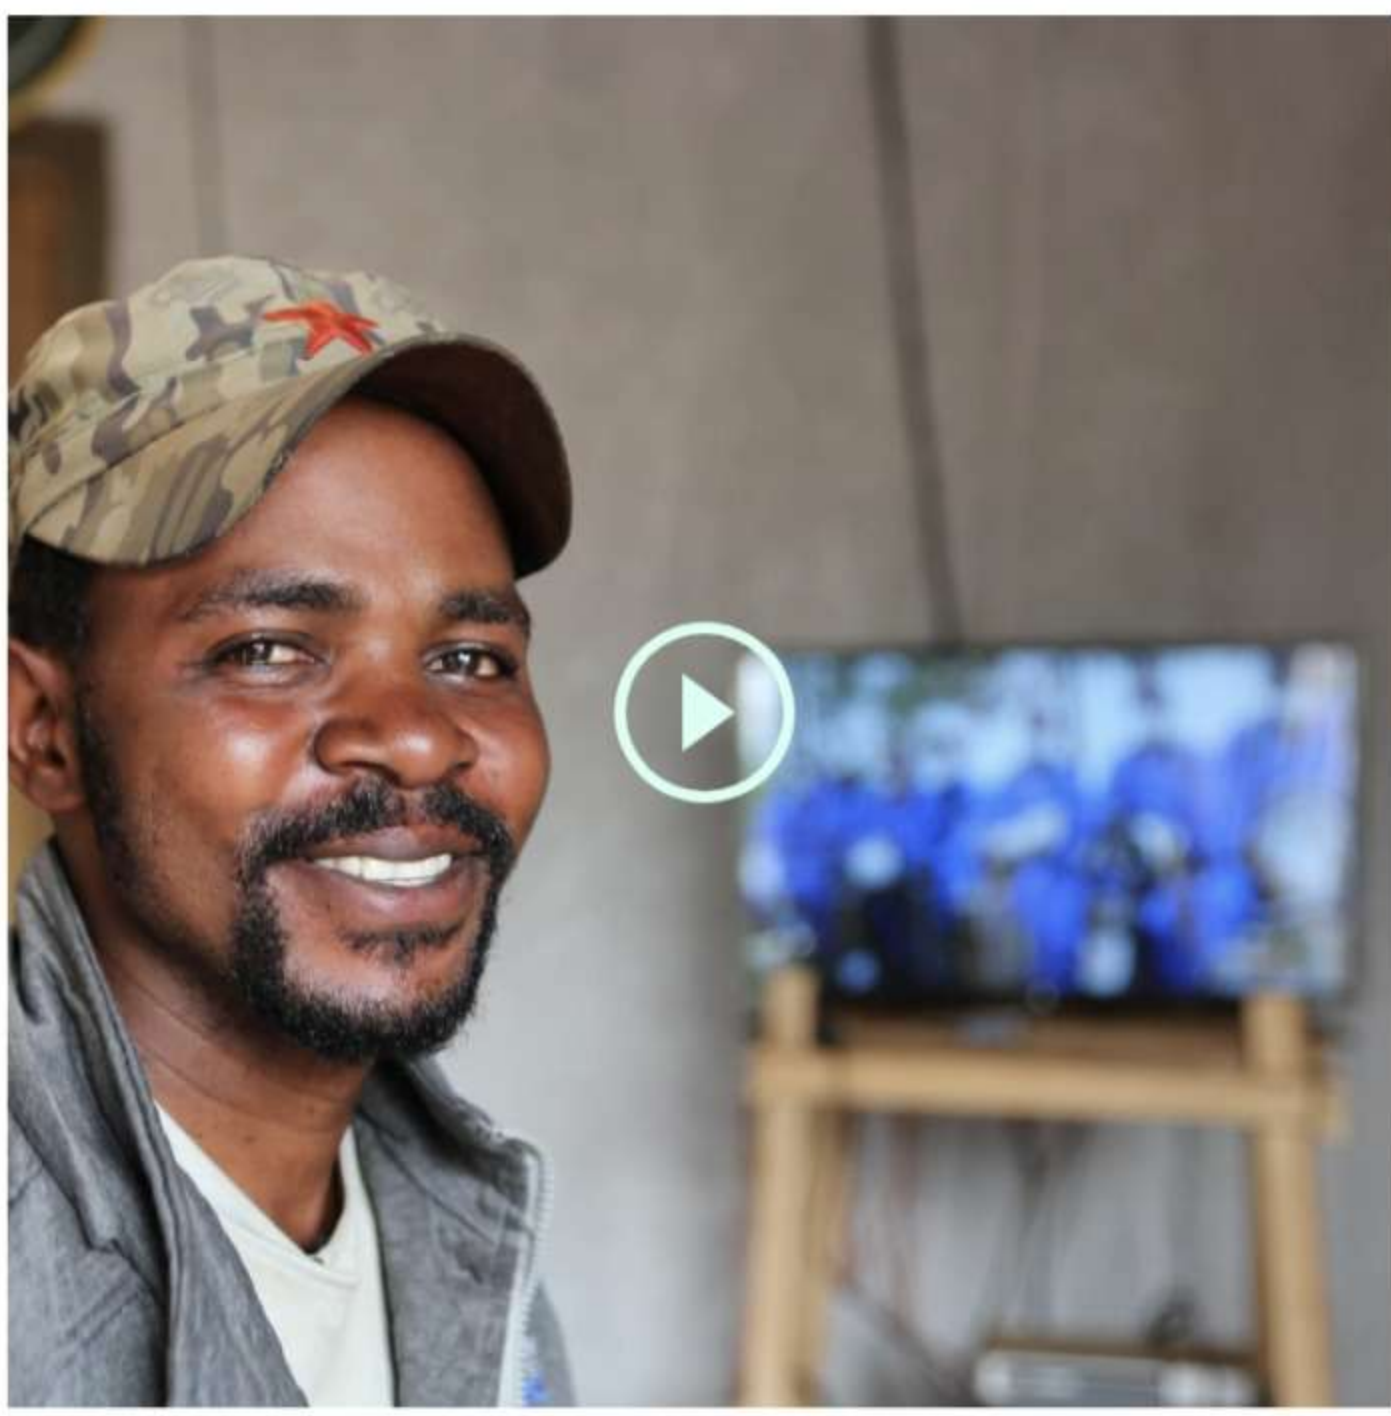

Explore our funding windows and ways of partnering with us.

### Project impact stories

### FP005

GCF and KawiSafi Ventures Fund driving off-grid solar power in East Africa

“Electricity cuts off every day, at any given moment. That is why I looked for a way to have constant power. I chose to use BBOX solar power. The television is working, and the customers can enjoy it. My family's livelihood has been transformed thanks to my business”

**Aboubakar Ntabanganyiman**  
 Shop owner, Gasinga, Rwanda
